

# Benchmarking Survey

## GP Registrar salaries

596 GP registrars participated in this survey providing information on their pay and conditions for semester one of 2017.

### The training circumstances of registrars surveyed

Their fellowship  
89% FRACGP | 5% FACRRM | 4% FARGP | 2% Dual

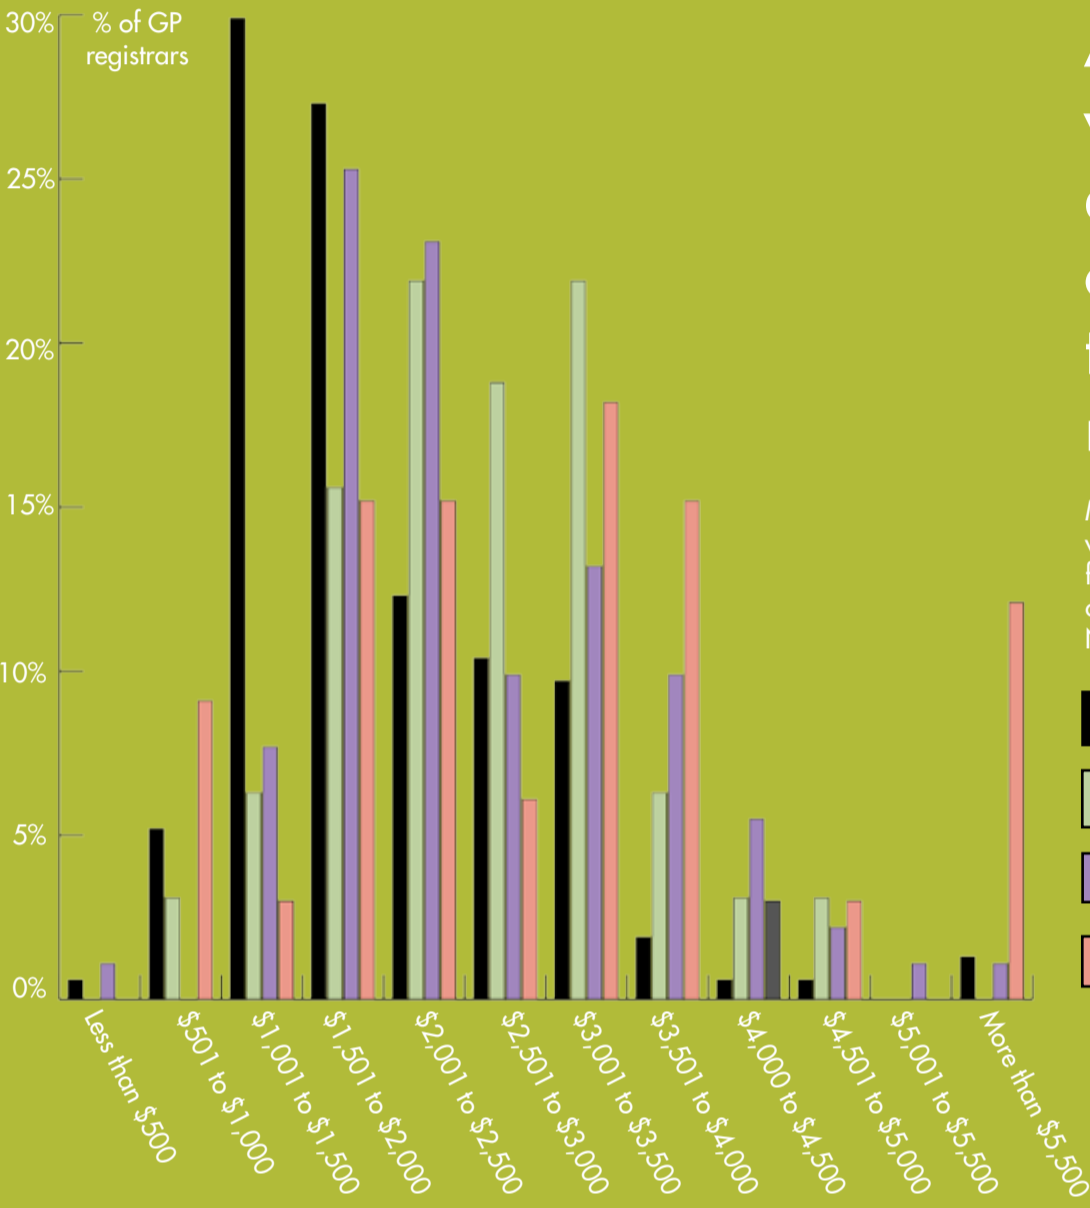

### Their hours

The National Terms and Conditions for the Employment of Registrars (NTCER) applied to 451 of the 596 registrars surveyed.

### Area of concern

Of the registrars that the NTCER applied to, 3% of registrars surveyed did not have a signed employment agreement and 3% of registrars were engaged as a contractor rather than an employee.

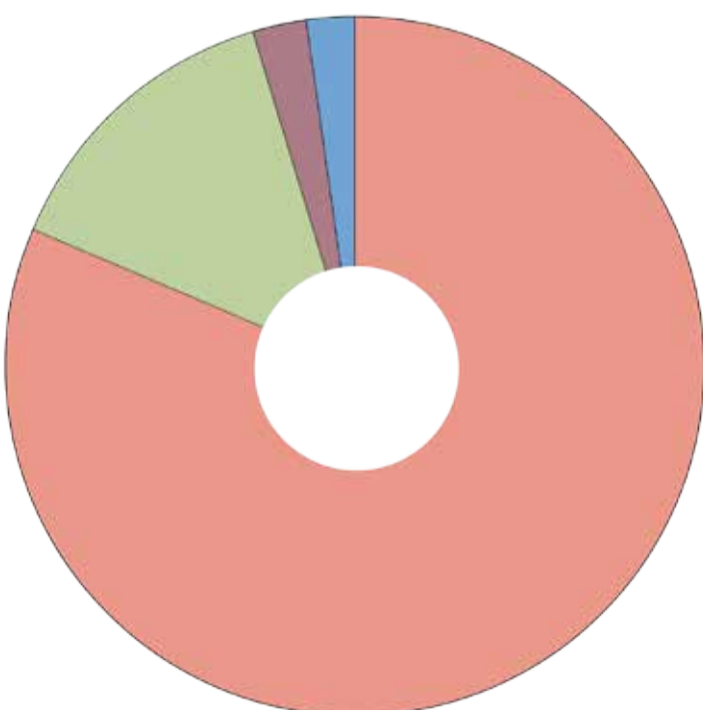

### How are GP registrar earnings calculated?

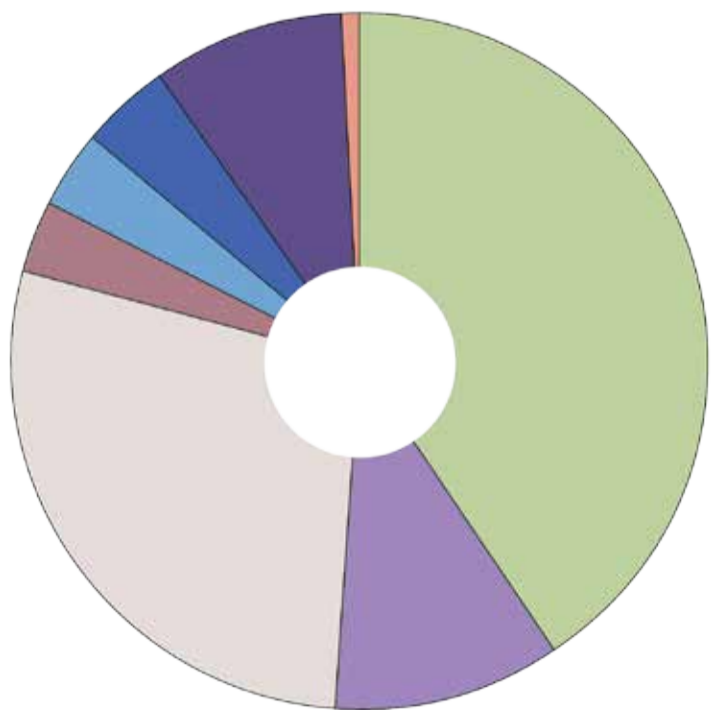

### What percentage of billings/receipts do GP registrars receive?

### How often are registrars paid?

### How often are registrars' percentage of billings/receipts calculated?

Nearly three quarters of training practices pay on percentage of billings and 60% pay this monthly or more frequently.
