Candidate statements and pictures will be reproduced to an election page on the GPRA website as well as distributed to the Board and membership by electronic direct mail as part of notification of the ballot.

## **5. Receipt and processing of Nominations**

Potential nominees will have at least 10 days to lodge their nominations, including all required documents and Candidate Statements.

Candidates should ensure that they are qualified to be nominated (according to the GPRA Constitution). Candidates must also ensure that they comply with the Returning Officer's instructions for the lodgment of nominations. The onus is on candidates to ensure that nominations—including ALL required documents—are received by the Returning Officer by the nominations deadline. No late submissions will be accepted.

The Returning Officer will acknowledge receipt of all nominations. After the close of nomination period, the Returning Officer will check nominations for compliance with the GPRA Constitution and the Election Rules. Where a nomination does not comply or cannot be verified with the requirements of the Constitution or Election Rules, the Returning Officer will advise the candidate concerned, in writing, of the particulars of any defect(s). Depending on the nature of the defect(s), the candidate may be asked to take remedial action or provide further particulars of his/her qualifications or eligibility for the vacant position. The candidate must reply within 24 hours. Where a candidate fails to respond or adequately remedy a defective nomination, within the prescribed time, the nomination may, at the discretion of the Returning Officer, be rejected.

### **5.1 Candidate Statements**

Candidates prepare statements in support of their candidacy for distribution, by the Returning Officer, to membership as a component of the ballot material. Statements must be lodged within the time prescribed by GPRA's Election Rules and must comply with the rules in relation to format, content and size.

The Returning Officer is required to examine Candidates' Statements and photographs to ensure that they comply with these Rules. The Returning Officer can edit the statement or crop photographs (candidates will be advised of this) and/or the candidates may be requested to amend any statements which do not comply. If this is the case, the candidate must reply within 24 hours. The Returning Officer's decision on these matters is final.
